

**BOYS & GIRLS CLUBS  
OF FREDERICK COUNTY**

# 2025 Impact Report

## OVER 280 YOUTH SERVED!

**With your support, we were able to  
reach more than 280 youth and  
their families last year!**

**This included new outreach into  
Heather Ridge School and  
Brunswick Middle School!**

**“The Club has made them more confident. Kylar feels safe at the Club. It’s like a family environment. The Club is their constant and it’s helping them thrive.”**

**-Arla, Club Parent**

## OVER 26,000 SNACKS AND MEALS SERVED!

**You are helping combat food insecurity  
and encouraging youth to make  
healthy eating choices! Our  
partnership with Frederick County  
Public Schools allows us to collaborate  
with their meal programs to serve our  
kids.**

# PROFESSIONAL COUNSELING SERVICES PROVIDED!

Thanks to a new grant-funded partnership with Trauma Specialists of Maryland, we are now providing free counseling services to a subset of youth at no additional cost to their families!

## A BRAND NEW TECH LAB!

One of the highlights last year was unveiling our new Burck Street Tech Lab, made possible by Rowan Digital Infrastructure! Students will explore technology, learn about internet safety, and more.

## 3<sup>RD</sup> ANNUAL BADGES FOR BASEBALL EVENT!

In partnership with the Ripken Foundation and the Frederick Keys, we hosted our 3<sup>rd</sup> annual Badges for Baseball event! More than 80 Club youth spent the day playing ball with 60 law enforcement volunteers!

**“My favorite part of Boys & Girls Club is the programs, like SMART Girls. Without the Club, I wouldn’t be able to speak up.”**

**-Milan, Club member**
